Coffee Corner I LOVE CANADA

A man walked into a curio store and was shopping around. After a while, he chose a brass rat and brought it up to the counter. "That will be \$10 for the brass rat... and \$1,000 for the story behind it," said the proprietor. "Thanks, but I'll just pay the \$10 and pass on the story." He purchased the brass rat and left the store. As he was walking down the street, he started noticing all sorts of rats following him. He walked down to the wharf and still more rats came out and followed him. So, he decided to walk out into the water, all the rats drowned. He returned to the store shortly. "Ah-ha!" said the proprietor. "You've come back for the story, right?" "Nope," said the man. "You have any brass lawyers?"
